

Training Program on Competency Development in High-end Research Equipments in Biotechnology

Application Closing Date: 20th April'23 (5.00 PM)

Organized by:

Department of Biotechnology

Indian Institute of Technology Kharagpur

Kharagpur- 721302

**Department of
Science &
Technology,
Government of
India**

सत्यमेव जयते

Under the scheme:

Synergistic Training Program Utilizing the Scientific and Technology Infrastructure (STUTI)

Supported By:

Department of Science and Technology, Government of India

Chief-Patron

Prof. Virendra Kumar Tewari

Director,

**Indian Institute of Technology
Kharagpur, Kharagpur 721302, WB**

Prof. Ina Shastri

**Vice Chancellor, Banasthali Vidyapeeth
Aliyabad- 304022, Rajasthan**

Convenor

**Prof. Nihar Ranjan Jana,
Head, Dept. of Biotechnology
IIT- Kharagpur, India**

Co-Convenor

**Prof. Sudip Kumar Ghosh,
Dept. of Biotechnology
IIT- Kharagpur, India**

Coordinators

Dr. Parvez A. Alvi, (PMU Coordinator)

Dr. Saral Kumar Gupta

Dr. C. M. S. Negi

Banasthali Vidyapeeth, Rajasthan-304022

Contact

Prof. Sudip K. Ghosh (9434144689)

Dr. Santi M. Mandal, (8900621442)

Training Highlights

- Structural Analysis
- Spectroscopic characterization
- Microscopy
- Genomics
- Proteomics
- IHC & Flow cytometry
- Biosensor

Registration link:

<https://erp.iitkgp.ac.in/CEP/courses.htm>

Maximum number of participants: 40

Participants must be Faculty members/ Regular Scientist/ Ph D Scholars

Registration and other information:

- Training date: 25th April to 1st May'23
- Interested participants must register and only selected 40 candidates would be invited for the workshop.
- Selected participants will be notified by email/phone.
- Not more than 3 candidates from the same Institute.
- For selected candidates local hospitality will be provided.
- Preference will be given for women candidates/ disadvantages section.
