

International Conference on
Modern Trends in Inorganic Chemistry 2024
December 14 - 17, 2024
Department of Chemistry, Indian Institute of Technology Kharagpur

About the Conference

IIT Kharagpur is organizing the 21st edition of the Modern Trends in Inorganic Chemistry (MTIC-XXI). MTIC is a premier international conference in inorganic and allied chemistry providing an ideal platform for the chemists to meet, discuss and exchange ideas. It aims to focus on the current advancement and future prospect of research in all the frontier areas of Inorganic Chemistry.

Conference Theme

- Main Group Chemistry
- Organometallics and Catalysis
- Structural and Coordination Chemistry
- Bioinorganic Chemistry
- Inorganic Materials Chemistry
- Computational Inorganic Chemistry

About the Department

Sir J. C. Ghosh, the first Director of the institute, started the Chemistry Department in 1952. Since its inception, the Department has established a tradition of excellence in teaching and research in various corridors of chemistry. With multifaceted research activities, a vibrant research environment, and state-of-the-art facilities, the Department offers one of the best academic environments in the country.
