# ABOUT RGSOIPL

Established in 2006 as the pioneering institution of its kind within the IIT system, RGSoIPL has been a trailblazer in integrating technology and law. While other institutions have also ventured into this domain, RGSoIPL proudly stands as the sole law school with an unwavering focus on technology.

Our primary goal is to cultivate lawyers who possess legal expertise and a profound interdisciplinary understanding, particularly in the intersection of technology and law. We are committed to fostering holistic growth, with research at the heart of our educational mission.

The remarkable achievements of our students and alumni in a relatively short span are a testament to the exceptional pool of skills and abilities that RGSoIPL has fostered. As a premier law school of the nation, we continue to set the standard for excellence in technology-focused legal education and research.

# ABOUT MCIP 5.0

The Master's Conference on Intellectual Property (MCIP) is centered on Intellectual Property and related areas. The aim of the conference is to carve out new ideas, innovation and strategic developments. The conference focuses on postgraduates and research scholars to showcase their expertise and contributions.

Building upon the success of MCIP 1.0, 2.0, 3.0 and 4.0, both nationally and internationally, we are pleased to introduce MCIP 5.0 in 2025, themed "Media, Entertainment and IP". The theme is based on the idea of the current entertainment industry. This edition draws inspiration from the contemporary entertainment landscape, and traditional societies including folklore, where the use of artificial intelligence is increasing and complexities of unauthorized use have been under the limelight more than usual. MCIP 5.0 highlights the various aspects of the media and entertainment industry, such as artificial intelligence, social media use, recognition of the rights of traditional societies, etc. Our objective is to offer a platform for aspiring professionals from various domains, including law, engineering, science, philosophy, and any field related to the theme.

## WHAT SETS US APART

MCIP is a conference tailored to Masters level students focusing on Intellectual Property and related areas. The conference offers invaluable insights into the practical aspects of the expansive field of Intellectual Property.

Participants have the opportunity to network with industry practitioners and esteemed academicians. MCIP is open to postgraduate students, academicians, and practitioners, welcoming national and International participants.

The conference provides a unique exposure to the expertise of IIT Kharagpur in the realms of intellectual property, science, and the humanities, as well as their interconnected fields.
