Conference: Jan 5-7, 2026

Format for abstract

Title of the Presentation for ICFM 2024
(Times New Roman 14 pt Bold)
Presenting Author,* co-author-1[a] and co-author-2[b]
(12 pt underline presenting author and asterisk corresponding author)
[a]Affiliated Institution Name, Address (Times New Roman, 12 pt Italic)
[b]Additional Affiliated Institution Name, Address

The abstract should be written using 12 point Times New Roman font and summarize the technical content of the oral or poster presentation. Use single spacing throughout. The page margins should be 3 cm (1.18") on all sides for a standard A4 page (21 x 29.4 cm). The abstract should be limited to 400 words and the text body should be justified on both sides. The abstract, inclusive of any figures, tables or references, should not exceed one (1) standard A4 page. Any abstract that does not follow the abovementioned guidelines will be rejected.

All submitted abstracts will be reviewed according to the standard reviewing procedures and assigned by the technical program committee to the appropriate session for oral and poster presentations.

Keywords: Provide a maximum of five keywords.

For the submission of duly formatted abstract, please follow the guidelines on the website.

Invited speakers (partial list)
