

Notification: Upcoming Talks by Dr. Muhammad Wahajuddin (Assistant Professor, Institute of Cancer Therapeutics, University of Bradford, UK)

We are pleased to announce that Dr. Muhammad Wahajuddin, Assistant Professor, Institute of Cancer Therapeutics, University of Bradford, and Co-principal Investigator of the UK team in the SPARC-UKIERI program (Project Code: P3345, Title: Artificial Intelligence-Assisted Glycopolymer-Based Mucoadhesive Nanogel for Targeting Cervical Tumor Microenvironment) will deliver two insightful talks in the coming weeks. Dr. Wahajuddin covers key topics in drug discovery and nanopharmaceutical development.

Nanopharmaceutical Development: Road Traveled and Way Forward

Date: 1st November 2024

Time: 11 AM to 1 PM

Venue: SMST Room No. 423

We highly encourage your participation in these events to gain valuable insights into the latest advancements in cancer therapies. The Institute of Cancer Therapeutics (ICT) at the University of Bradford brings together a multidisciplinary team of researchers working to discover, develop, and commercialize new cancer treatments.

We look forward to your presence.
