

MDC 2025 VGSOM, IIT KHARAGPUR

11th Management Doctoral Colloquium 2025

Be part of a vibrant community dedicated to advancing the field of management. Together, we can explore new ideas, drive innovation, and shape the future of management education and practice.

About Us

The Vinod Gupta School of Management (VGSOM) at IIT Kharagpur, established in 1993, is known for integrating management education with technology and innovation and was the first business school to be set up within the IIT system. In line with its commitment to advancing cutting-edge research, VGSOM hosts the Management Doctoral Colloquium, which serves as an exceptional forum for researchers to showcase their work. This event provides a valuable opportunity for participants to exchange ideas with fellow students and faculty, who are renowned experts in their respective fields, further bringing up an environment of academic excellence and innovation.

Theme - Business and Policy Solution for Sustainability

Lo

Our colloquium focuses on innovative strategies for addressing global sustainability challenges. We invite researchers, industry professionals, and policymakers to discuss sustainable supply chains, green technology, responsible business practices, and public policy. This forum promotes interdisciplinary collaboration among academia, industry, and government, aiming to generate practical and scalable solutions. Attendees will benefit from keynote addresses, research presentations, and case studies, with opportunities to network and help shape the future of sustainable business and policy frameworks. Join us to explore the intersection of business and sustainability.

Options Available
