DEADLINES

Key Dates (in 2026)

Timeline for authors and delegates.

31	OCT	**Abstract submission**
15	NOV	**Acceptance notification**
25	NOV	**Registration deadline**
30	NOV	**Full paper submission**

Join us during

02-04 February 2027

IIT Kharagpur, India

REGISTRATION

Registration Fees

Category	Early	Late
Govt./Educational institutes	Rs. 7,500	Rs. 9,000
Industry delegates	Rs. 10,000	Rs. 12,000
SAARC country delegates	US$ 250	US$ 300
Other international	US$ 500	US$ 600
Students - India	Rs. 2,500	Rs. 3,000
Students - SAARC	US$ 150	US$ 200
Students - other countries	US$ 350	US$ 400

The registration fee **(non-refundable)** covers conference materials, refreshments, and meals (lunch and dinner) during the conference days.

*Fees for accompanying spouse is **INR 3,000** for Indian delegates and **USD 150** for international delegates*

The Early Bird Registration Fee is valid until **25 November 2026**. Subsequently, the Late Registration Fee applies.

Celebrating 75 years of excellence...

Platinum Jubilee International Conference

Next-Generation Precision Agriculture for Climate-Resilient Water-Energy-Food Systems

Agri-WEF 2027

02-04 February 2027

Agricultural and Food Engineering Department
Indian Institute of Technology Kharagpur

ABOUT

IIT Kharagpur

India's first IIT, established in 1951 as Institute of National Importance. As it celebrates its 75 years of excellence, marking its Platinum Jubilee, it carries a distinctive legacy of education, research, innovation, and nation-building.

Agricultural and Food Engineering

The Agricultural and Food Engineering Department began as Agricultural Engineering in 1952 and was renamed in 1994. Unique within the IIT system, it spans Farm machinery and power, Land and Water resources, Food Processing, Aquacultural Engineering, Agricultural Systems & Management and Agricultural Biotechnology.

Agri-WEF Conference

The International Conference on Next-Generation Precision Agriculture for Climate-Resilient Water-Energy-Food Systems, organised under the auspices of the Platinum Jubilee Celebrations of IIT Kharagpur, aims to bring together leading researchers, academicians, industry experts, and policymakers to discuss innovative technologies and sustainable solutions in precision agriculture, smart farming, climate resilience, agribusiness, and intelligent agri-food systems for a sustainable future.

SPEAKERS

Plenary Speakers

(Confirmed for in-person participation)

Prof. Vijay Pal Singh
Texas A&M University, USA

Prof. Narendra Das
Michigan State University, USA

Dr. Pramod V. Mahajan
The Leibniz Institute (ATB), Germany

Dr. Silvia D. Schrey
Jülich Research Centre, Germany

Prof. Dr. Olaf Kruse
Bielefeld University, Germany

Prof. Sajid Alavi
Kansas State University, USA

Prof. Biswa Bhattacharya
IHE Delft Institute for Water Education, Netherlands

Prof. Anita M. Thompson
University of Wisconsin-Madison, USA

Dr. Rewati Raman Bhattarai
Curtin University, Australia

Prof. Dr. Nina Buchmann
ETH Zürich, Switzerland

Prof. Dr. Roland Bol
Jülich Research Centre, Germany

Prof. Hilary Rogers
Cardiff University, UK

Prof. Dr. Johannes Sauer
Technical University of Munich, Germany

Dr. Martino Malerba
Royal Melbourne Inst. of Technology, Australia

SPEAKERS

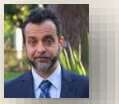

Prof. Ashim K Datta
Cornell University Ithaca, USA

Prof. Srinivasulu Ale
Texas A&M University, USA

Prof. Kingsly Ambrose
Purdue University, USA

Prof. Giovanni Turchini
The University of Melbourne, Australia

THEMES

01 **Integrated Water Intelligence for Climate-Resilient Agriculture and Multi-Hazard Management**

02 **Smart and Sustainable Farm Machinery Systems**

03 **Emerging Post-Harvest & Food Preservation Technologies**

04 **Climate-resilient Aquaculture Systems**

05 **Sustainable Agricultural Production**

06 **Biotechnological Interventions in Agriculture, Horticulture, and Microbial Research**

07 **Agribusiness for Sustainability: Policy, Technology, and Market Systems**

ORG TEAM

Core committee members

PATRON

Prof. Suman Chakraborty
Director, IIT Kharagpur

CONVENER

Prof. C. Chatterjee
Head, Agricultural and Food Engineering Department

ORGANIZING SECRETARY

Prof. P P Tripathy
Agricultural and Food Engineering Department

TREASURER

Prof. Ashok Mishra
Agricultural and Food Engineering Department

MEMBERS

All Faculty, Staff & Students of
Agricultural and Food Engineering Department
