

ORGANISERS

CHAIRPERSONS

- Prof. Raja Datta
Professor, Department. of Electronics & Electrical Communication Engineering, IIT Kharagpur
- Prof. Sameru Sharma
Principal/Director, GCET Jammu

COORDINATORS

- Prof. Bhawna Sharma, Department of Computer Engineering, GCET Jammu
- Er. Sheetal Gandotra, Department of Computer Engineering, GCET Jammu
- Er. Sanjeev Gupta, Department of Mechanical Engineering, GCET Jammu

ADVISORY BOARD

- Shri Jeevan Kumar Jethani, Senior Director, Ministry of New and Renewable Energy, Gol
- Prof. Arun Kumar, Department of Hydro and Renewable Energy, IIT Roorkee
- Shri Sanjay Kumar Shahi, Ministry of New and Renewable Energy, Government of India
- Shri Goutam Ghosh, Chief Engineer, CEA, Government of India
- Shri Ramesh Mukhiya, Managing Director, CVPPL
- Prof. S.S. Pathak, Ex. Professor, Department of ECE, IIT Kharagpur
- Prof. C.S. Kumar, Department of Mechanical Engineering, IIT Kharagpur
- Prof. Nirjhar Dhang, Department of Civil Engineering, IIT Kharagpur
- Prof. Deepak Jain, Alumnus – IIM Indore, Founder Chairperson – Amity College (Florida, USA)
- Prof. Sandeep Sharma, Department of Computer Engineering, GNDU Amritsar
- Prof. Mani Sankar Das Gupta, Department of Mechanical Engineering, BITS Pilani
- Dr. Manohar Singh, Department of Electrical Engineering, PEC, Chandigarh
- Dr. Anup Shukla, Department of Electrical Engineering, IIT Jammu
- Dr. Karan Nathwani, Department of Electrical Engineering, IIT Jammu
- Mr. Vinul Koul, Dy. General Manager PGCIL, Northern Region-II Jammu

NCEEITET 2026

(27th – 28th April 2026)

11th National Conference & Exhibition

on

Emerging and Innovative Trends in Engineering Technology

Organised by

Govt. College of Engg. & Technology, Jammu

in Technical Collaboration with

Indian Institute of Technology, Kharagpur

in association with

World Consortium of Universities

Venue: GCET, Chak Bhalwal, Jammu

Contact: 0191-2958077, Email: gctnce@gmail.com

www.gcetj.ac.in

ABOUT THE INSTITUTIONS

Government College of Engineering and Technology, Jammu (GCET)

GCET Jammu, established under the Department of Higher Education, Govt. of J&K, and affiliated with the University of Jammu, is an AICTE-approved institution with a vision to provide valuable resources for industry and society. The Institute offers both UG and PG programs in various engineering streams and has completed 30 years of excellence in technical education and research. GCET has been conferred autonomous status by the UGC, Gol. Its alumni have excelled globally in government, public sector, and private organizations. The Institute also offers consultancy services to various government and semi-government agencies.

Indian Institute of Technology, Kharagpur

The Indian Institute of Technology (IIT) Kharagpur is a premier Engineering Institution established by the Government of India in 1951 in the State of West Bengal. It is the first of the IITs to be established and is recognized as an Institute of National Importance by the Government of India. The aim of the Institute is to provide meaningful education to conduct original research of the highest standard and to provide leadership in technological innovation for the industrial growth of the country.

World Consortium of Universities

The World Consortium of Universities (WCU) is institutionalized with the mission of interdisciplinary unification of education and research organizations, institutions, and universities across the world for facilitation of primary, secondary, and higher education within a culture of integrity and responsibility towards humankind. WCU has been a joint attempt of multiple academic, research, and corporate organizations including AASGON - U.K., AAHEA - USA, IPMA Nigeria and some more.

HIGHLIGHTS OF NCEEITET

The Conference attracts delegates from across the country including students, academicians, researchers, industry professionals, policymakers and representatives from leading government organizations. Student participants from premier engineering institutions across India showcase innovative projects, prototypes and working models in emerging technological domains. Leading organizations such as REC, PGCIL, CVVP, IEX, NHPC, NTPC, J&K Bank, JKPDC, PFC, JPDCL, Tata Power, BSNL, Indian Oil , EESL etc participate by exhibiting their cutting-edge innovations and technological advancements. The event features technical paper presentations, student-industry interactive sessions, panel discussions and keynote addresses by eminent experts. It provides a dynamic platform for meaningful interaction between technologists, administrators and policymakers, facilitating technology-driven policy formulation and informed decision-making. A key highlight of the conference is the Startup Workshop/Summit, designed to foster entrepreneurial mindset, innovation management, leadership capabilities and startup ecosystem awareness among participants.

OBJECTIVES OF 11th NCEEITET (2026)

The Conference and Exhibition aims to:

- Create a dynamic interdisciplinary forum for researchers, academicians, industry experts, and entrepreneurs to deliberate on cutting-edge developments, innovative practices and emerging challenges in Engineering and Technology.
- Provide a platform for students, start-ups and industry participants to present innovative projects, prototypes, business models, and technology-driven solutions.
- Promote a strong culture of research, innovation and entrepreneurship among young engineers and scholars.
- Enhance industry-academia synergy through collaborative technical sessions, expert panel discussions, live demonstrations and networking opportunities.
- Facilitate exchange of knowledge and ideas through technical presentations, keynote lectures, invited talks and interactive deliberations.

THRUST AREAS

Papers are invited for the conference in multiple areas of interest that include, but are not limited to:

- AI, ML & Deep Learning
- IoT, Embedded Systems
- Disaster-Resilient Infrastructure
- Power Systems & Smart Grids
- Robotics & Autonomous Systems
- Innovation in Construction Technology
- Sustainable Architecture & Smart Cities
- Advanced Manufacturing & Industry 4.0/5.0
- Big Data Analytics & Business Intelligence
- Applied Sciences, Entrepreneurship & Interdisciplinary Research
- Quantum Computing & Quantum Communication
- Communication Engineering and Systems
- Renewable Energy & Sustainable Technologies
- Environmental Engg & Green Technologies
- Cybersecurity, Blockchain & Secure Computing
- Metaverse & Immersive Technologies

PAPER & ABSTRACT SUBMISSION / PUBLICATION

Accepted papers of the conference will be published in the Conference e-Proceeding by the publishing partner with unique ISBN registered with Australian ISBN Agency and made available for sale and reference. Top research articles that meet the requisite standards of the respective publisher may be published in SCOPUS indexed International Journal for Global Academic & Scientific Research (IJGASR) or IARS' International Research Journal, indexed with many global databases including CAB Abstracts, Brill's Linguistic Bibliography, MLA - Modern Language Association Database and many more. Selective high-quality research articles shall also be published with Amity International Journal of Professional Practices or other editorials of Consortium with IARS' Press Australia (respective publication fee would be applicable). The full length paper of the research articles should be sent to postmaster@jconsortium.com and gctnce@gmail.com (in CC) with subject-line as "NCEEITET 2026 Research Article <TITLE OF ARTICLE>". (All communication shall be only with the corresponding author).

EXHIBITION

The institute shall provide space for installation of stalls, free of cost in the premises of college campus. Exhibitors may forward a brief profile of their exhibits along with logistics requirements before the last date at gctnce@gmail.com.

TARGET AUDIENCE/PARTICIPANTS

The Conference is open to Faculty, Research Scholars, Students, Industry Delegates and Entrepreneurs.

IMPORTANT DATES & LINKS

Full Paper Submission	08.04.2026	postmaster@jconsortium.com
Project/Working Model Submission	08.04.2026	https://forms.gle/vxmEPPMjcm5WPbww9
Business Plan/ Innovative Idea Submission	08.04.2026	https://forms.gle/LmeH9d1Hf1W9eHez5
Acceptance of Paper/Model/Business Plan/Innovative ideas	14.04.2026	postmaster@jconsortium.com
Opening of Registration	15.04.2026	https://forms.gle/usw1KQcqnE1rfkuh8
Closing of Registration	20.04.2026	

REGISTRATION PROCEDURE

The Registration form can be downloaded from the College website (www.gcetj.ac.in).

The duly filled in registration form may be sent by registered post at the College address:

The Principal, Government College of Engineering and Technology, Chak Bhalwal, Jammu -181122 (J&K) or through E-Mail at gctnce@gmail.com before the last date.

Govt. Departments, Research organisations, Industries, Entrepreneurs, Consultants, Manufacturers, Suppliers and Publishers are invited to sponsor or co-sponsor the event.

The names of Sponsors, Co-Sponsors and supporters will be published in the proceedings and displayed at the NCEEITET venue.

AWARDS

- Two Best Papers
- Two Best Models
- Two Best Business Plans
- Selective Awards of Innovation

REGISTRATION FEE

Research Scholars/Students	Rs.1500
Academicians	Rs.2000
Delegates From Industry	Rs.3000
Exhibitors (Industries/Entrepreneurs)	Rs.2000
