

## INTERNATIONAL CONFERENCE

on

### CLIMATE CHANGE, ADAPTATION, MITIGATION AND POLICIES (CAMP - 2026)

Organized by

Centre for Oceans, Rivers, Atmosphere and Land Sciences (CORAL)

at

Indian Institute of Technology Kharagpur

#### About the conference:

Climate change is increasingly impacting ecosystems, human health, food and water security, and coastal environments across the globe.

To address these challenges, Centre for Ocean, River, Atmosphere and Land Sciences (CORAL), Indian Institute of Technology Kharagpur, is organizing the International Conference **CAMP 2026** to discuss climate impacts, mitigation, adaptation, and sustainable solutions.

#### About the centre:

The Centre for Ocean, River, Atmosphere and Land Sciences (CORAL), established in 2005, focuses on advanced education and research in Earth System Science and Technology. The Centre offers M.Tech., MS, and PhD programs and conducts interdisciplinary research in climate change, atmospheric and ocean sciences, extreme weather, air quality, biodiversity, and remote sensing, supported by modern computational and research facilities.

## IMPORTANT DATES

Abstract submission: 30 August 2026

Abstract acceptance: 15 September 2026

Registration Open: (15 September - 15 October)2026

Collaborate. Innovate. Sustain.

## Themes of the Conference

#### Atmospheric and Oceanic Processes

Atmosphere-ocean interactions, monsoon dynamics, air quality, and ocean circulation influencing climate and weather.

#### Extreme Weather Events and Natural Hazards

Cyclones, floods, droughts, heatwaves, and disaster risk reduction strategies.

#### Recent Changes in Climate of India

Changing temperature, rainfall patterns, sea-level rise, and their environmental and societal impacts.

#### Climate Change: Attribution, Mitigation, Adaptation and Policies

Climate impacts, sustainable mitigation and adaptation strategies, and policy frameworks for climate resilience.

Young scientists (below 35 years) will be recognized with Best Poster and Best Oral Presentation Awards in each conference theme, carrying a certificate, memento, and cash prize in recognition of outstanding research contributions.

**Patron:** Prof. Suman Chakraborty, Director, IIT Kharagpur

**Chairman:** Prof. P. Chakraborty, Head, CORAL,

**Convenor:** Prof. P. Deb, CORAL

**Co-convenors:** Prof. J. Kuttippurath and Prof. A. K. Rai, CORAL.

**Conference workshop:** 10<sup>th</sup> December 2026

**Conference period:** (11-12)<sup>th</sup> December 2026

**Abstract submission:** 15<sup>th</sup> September 2026

**Notification of accepted Abstracts:** 30<sup>th</sup> September 2026

\*\*\*

**On 10 December 2026, a half-day workshop (2:00 PM – 5:00 PM) on "Applications of AI/ML Methods in Climate Sciences" will be organized for students and early-career scientists.**
