

School For Skills: Healthcare & Technology

BCRMRC, IIT Kharagpur

Paramedical Training Course

**Second
Batch**

SCHOOL FOR SKILLS®
HEALTHCARE & TECHNOLOGY
a unit of
Foundation for Innovations in Health

Dr. B. C. Roy Multi-Speciality Medical Research Centre (BCRMRC), IIT Kharagpur, has established School for Skills: Healthcare & Technology to train youth, especially those with Class X/XII education, as Allied Health Professionals through paramedical technician certificate courses. This will create employment opportunities for the youths at hospitals all over India where there is an enormous shortage of skilled allied health workers. These courses will be conducted within the premises of Dr. Syama Prasad Mookerjee Super Speciality Hospital.

Foundation for Innovations in Health (FIH) becomes the skill and knowledge partner of IIT Kharagpur to support planning, promoting and operating School for Skills: Healthcare & Technology. FIH has over 13 years of experience in training paramedical personnel in six (6) states of India, having trained 5000+ youths, with 80% of them now employed in over 80 hospitals in all major cities in India.
