## ABOUT THE COLLOQUIUM

The colloquium provides an outstanding gathering for doctoral students in various areas of management who want to pursue a career in academics and research with an opportunity to discuss their dissertation research with other doctoral students and leading academicians in the field of management. All topics and methodological approaches within the broad field of management comprising of finance, data analytics, marketing, human resource management, strategic management, operations and supply chain management etc. will be considered. It will proceed in parallel tracks. Students will get an opportunity to discuss their work with fellow students and faculty, who are renowned experts in the corresponding field. The consortium will include selected paper presentations by the doctoral students along with invited talks by leading experts in different domains of management. Doctoral students will get feedback on their research work for further improvement to publish and build network with peers and distinguished experts.

## BEST PAPER AWARD

Only full papers will be considered for three best paper awards for all the five core streams. These include:

1. Finance / Accounting / Economics
2. Human Resource Management/ Organizational Behavior
3. Operations Management / Supply Chain Management / Logistics
4. Marketing / Business Strategy / Business Laws
5. Data Analytics / Soft Computing / Information Systems

## SUBMISSION GUIDELINES

The participants are advised to submit their papers / extended abstracts using Times New Roman 12-point font, single spacing and APA/AOM style of referencing. The paper should be maximum 15 pages long or 2500 words for extended abstracts (all inclusive, with 1 inch margin on all sides) with a maximum of 2MB file size and include personal particulars like name, title of paper, affiliation, email, telephone and postal address. All papers will be assessed by a panel of experts based on their research proposals. The application materials should be submitted as a PDF document which includes a short introductory statement explaining the applicant's interest in the colloquium, the current stage of their research work, the name(s) of their advisor(s)/supervisor(s).

The papers must be sent to <https://easychair.org/conferences/?conf=mdcvrs2021>

**Workshop:** There will be a workshop on data analytics on February 1, 2022

**Publication Opportunity:** Selected full papers will be published in the edited volume of reputed publisher.

Detailed information can be found at <http://www.som.iitkgp.ac.in/mdc2022/>
