# DETAILS

## Background

With the advancement of computational technology, analytics has become an inevitable part of business. For gaining competitive advantage through data driven decision making, managers should be able to marry raw data with business acumen. In this program, we will try to do the same. The program is targeted to create data analysts and introductory data scientists with focus on managerial applications of analytics.

## Participants

The following members can participate the program:

- Mid-level Managers working in any domain of business
- Business Analytics enthusiasts
- B.Tech and MBA students

## Course Contents

**Introduction to analytics, Descriptive Analytics, Predictive Analytics, Prescriptive Analytics, Applications in Marketing, HR, Finance, Supply Chain, IT**

**Case Studies from renowned publishers like HBPS**

## Faculty

**Dr. Swagato Chatterjee** (Assistant Professor, IITKGP, B.Tech, IITKGP; PhD, IIMB)

**Industry Experts from Analytics Domain**

*“The price of light is less than  
the cost of darkness.”*

*Arthur C. Nielsen, Market Researcher & Founder of  
ACNielsen*

## Course Fee

- Per participant – INR 20,000  
This includes 18% GST

The course fee will cover lecture notes, refreshment during classes. Board, lodging and travel charges will have to be borne by the participants. The course fee can be submitted in the form of a demand draft drawn in favor of ‘CEP-STC, IIT Kharagpur’ payable at Kharagpur.
