Practical training is offered through workshops and clinical courses, and students have excelled in competitions and conferences. RGSOIPL alumni work in diverse sectors, from industry to academia.

## About the 5th National Moot Court Competition

Indian Institute of Technology Kharagpur is renowned for its commitment to excellence in education and fostering intellectual growth. In line with this ethos, IIT Kharagpur has been organising National Moot Court Competition (NMCC) with great enthusiasm. Through its rigorous and engaging format, NMCC continues to serve as a beacon of legal excellence, fostering the growth of future legal professionals in India. NMCC is an annual event that focuses on numerous areas of law. This brings for law students an excellent opportunity to hone their advocacy skills, test their knowledge of law, and engage in constructive legal interaction and discourse.

NMCC follows a format typical of moot court competitions, where participants are required to prepare written memorials and present oral arguments. The competition includes various rounds, including preliminary rounds, quarter-finals, semi-finals, and the final. A distinguished panel of judges, comprising of legal experts and practitioners evaluates the performance of the participating teams.
