

TECHNOLOGY STUDENTS' GYMKHANA
IIT KHARAGPUR

Dated :- 18th Feb, 2025

Subject:- Permission to conduct trap shooting event workshop at IIT campus and initiate a shooting enthusiast club at IIT Kharagpur campus for students and campus community.

Proposal :- It is proposed to start a club for shooting enthusiast people, introducing shooting sport activities viz. Trap shooting, Air pistol shooting, Bulls eye shooting etc. and conduct workshop at IIT Kharagpur campus for students and campus community in collaboration with EAST INDIA SHOOTING CLUB (Affiliated by National rifle association, West Bengal rifle association, and district shooting association, and registered under society act) No. S0015769 of 2020-2021.

Shooting sport :- Shooting sports provide a range of benefits including improved hand-eye coordination, physical strength, stamina, balance, concentration, self-discipline, and can also contribute to building self-esteem and confidence through the development of fine motor skills and mental focus required to accurately target a shot; making it a valuable activity for both physical and mental health.

Vision:-

- to bring together interested staff and students for the shooting sport.
- to provide facilities for the sport
- to improve visual skills like hand-eye coordination, depth perception, and reaction time.
- developing skills and confidence.

Mission:- to provide know how of the event to interested members, to impart training and preparation under qualified and expert trainers, talent identification and to give exposure of competitions.

Event Layout

Current Plans

- Conduct workshop and provide relevant knowledge, resources to help members to learn and encourage them to participate.
- Publicity to maximize the participation for the event and ensure a mass participation.
- Conduct the event in multiple slots/session for efficient learning and addressing the queries and ensuring safety of the participants.
- The event's current plan is to conduct workshop/s in collaboration with East India Shooting Club, under the expert guidance and in an controlled environment.

Future Plans

- Get the event organized on periodical basis and have regular coaching / training from qualified experts.
- To organize shooting competition as an annual event during the academic calendar.
- Organise lecture/ demo series of professional players and experts.
- To develop infrastructure and various shooting related facilities and become the pioneers to have shooting sport among the other IITs .
- To facilitate shooting association for conduct district/state /National level shooting competitions
- To produce state/National/international shooters.
